THOMAS G. BRUTON  
CLERK, U.S. DISTRICT COURT

**COMES NOW, PLAINTIFF BRINGING FORTH** this Objection to PepsiCo, Quaker Oats, and Pinnacle Conspirators "**Quid Quo Pro**" Motion To Dismiss all of the Conspirators PepsiCo, Quaker Oats, Pinnacle and Hillshire, brought forth by Dean Panos, a.k.a. "**Inspector General for Governmental and Other Public Agencies conducting Investigations**," in violations of 10 U.S.C. §333, 18 U.S.C. §1051(B), 18 U.S.C. § 1001, 1512(2)(A)(i)(ii)(iii), 18 U.S.C. §§63, 18 USC 18 U.S.C. §242, 18 U.S.C. §243, and ICERD Section V (v)(vii)(vi)(e)(i) as the fraudulent pleadings smacks of the tainted Dred Scott Decision that was designed to wrongfully procure Black peoples property. Around or about November 1, 20013, Plaintiff went to the window of the Bureau Vital Statistics in Syracuse to obtain the Certified Death Certificate of Grandma Anna Short Harrington. Said agency **obstructed** the release of **said certificate** after **receiving payment** for more than 6 months, and **implicated** ("emphasis

1 added") Quaker Oats by **inappropriately** making a **Freudian slip** by drawing a "RED  
2 FLAG" and requesting that Plaintiff obtain a letter from a Corporation; in order, to acquire his  
3 Great Grandmother Anna Short Harrington's Certified Death Certificate.

4 On **Jan. 15, 1921** Quaker Oats advertised that it was Nancy Green that came up with the  
5 idea of using "**dried milk**". (Civ. Compl. ¶ No. 77, "**Aunt Jemima Bids Goodbye to the Old**  
6 **Plantation.**") On March 15, 1921, the Conspirators deposited Nancy Green's image inside the  
7 U.S.P.T.O., **Application No. Serial No. 71144762, Reg. 0146681**, while erroneously  
8 representing her to be a "fictional character" (i.e. **U.S. Tainted Dred Scott Decision**), thus  
9 constituting a **motive for premeditated murder** in the **First Degree**. On Sept. 23, 1923, Nancy  
10 Green was murdered on the South Side of Chicago by an unknown assailant. Thereafter,  
11 Plaintiff asserts in a pattern and practice to subvert **the USPTO, and SAG Agreements**, the  
12 Conspirator Quaker Oats President hired various Advertising Firms between 1935 through 1950  
13 to publish advertisements of Anna Short Harrington, **in-store "IN PERSON"** appearances.  
14 (Exh. 110) On Nov. 24, 1936, Plaintiff asserts and alleges Quaker Oats President willfully  
15 deposited False Statements again inside the U.S.P.T.O. Trademark Office with erroneous  
16 representations of the image to be "women," instead of one woman for the Application  
17 7138540, and utilizing the likeness of Anna Short Harrington; in order, to wrongfully procure  
18 64 formulas of her original formulas and 22 menus, with malice forethought to not pay a "**Fair**  
19 **Share of Royalties**," thus constituting a violation of **15 U.S.C. §1051(B), and 18 U.S.C. §**  
20 **1001**. (Exhs. 49, 50) Attached, herewith the court shall find Quaker Oats Advertisement  
21 Exhibit 110 with my Grandmother Anna S. Harrington "**IN PERSON**" appearance as Aunt  
22 Jemima. Plaintiff asserts and alleges the Conspirators had on youtube, a confession that Nancy  
23 Green had a life long contract, before she was run over by a car. In addition, Vital Statistics  
24 would not place Quaker Oat's name on a Certified Death Certificate for "work for hire". (Exhs.  
25 1, 111, 112, 113, 114, 115)

26 Prior to litigation commencing Plaintiffs served PepsiCo Executives, Board of Directors  
27 and Government Attorney Dean Panos with an email demanding to know "**What makes you**  
28 **think that you're "Entitled" to ALL the ROYALTIES of our Great Grandmothers, when**  
**you have not paid or made the same sacrifice of our Grandmothers, nor are you the**

1 **inventor of the 64 formulas and 22 menus?"** In response, Indra K. Nooyi, CEO of PepsiCo,  
2 inappropriately went on two morning news channels and made **asinine statements** about an  
3 "imaginary crown," and "**women can't have it all,**" as she personally took a 5% pay increase  
4 in salary between 2013 through 2014 in the amount of \$13,191,805.00 million dollars, while  
5 failing to pay a fair share of royalties owed to Anna Short Harrington Estate. From the *Maison*  
6 *des Esclaves* and its *Door of No Return* from the shores of **Gorée Island of Africa** to the  
7 shores of America, **millions upon millions** of Africans having been **kidnapped**, lost their lives  
8 in the voyage that led to a **holocaust**, followed by 250 years of slavery, 90 years of Jim Crow,  
9 60 years of separate but equal, 35 years of state-sanctioned redlining, racial segregation, Forced  
10 Gentrification housing policies, Black Wallstreet Economic Espionage, Rosewood Crimes  
11 Against Humanity, Slocum Crimes Against Humanity, Tuskegee Experiments, Medical  
12 Apartheid and Sham Eugenics Scams between 2006 through 2009 perpetrated by California  
13 Prison System, thus what make you think that you or anyone next to you, being newly arrivals  
14 as nationalized citizen, or any white persons are erroneously entitled to the last piece of  
15 intellectual property / formulas of African American women that came up out of **250 years of**  
16 **Enslavement** while the government gave land to white people, and failed to pay 40 acres and a  
17 mule to Black people?

18 If it was not for my hero **Honorable Thurgood Marshall fighting *Brown v. Board of***  
19 ***Education of Topeka***, you would not be sitting as CEO of PepsiCo's Board and would only be  
20 allowed to drink from the Pepsi can, nor would Luis Prado be the President of Quaker Oats.  
21 African Americans have been the subject of dog bits, and water hoses merely in the pursuit of  
22 an "Education". What makes you think you and anyone next to you are entitled to rise from the  
23 bottom to the top by wrongfully procuring the Royalties of **African American Women** being  
24 Nancy Green that came out of an **Enslavement**, and Anna Short Harrington, thus invoking  
25 violations of **ICERD Article V(vi) "The Right to Inherit"** with "NO Autopsy" performed on  
26 Certified Death Certificate Exhibit 1, with Nancy Green having been murdered as your lead  
27 government attorney Inspector General has now deposited Fraud in the Judiciary in violation of  
28 18 U.S.C. §§§§2, 3, 4, and 1001? Plaintiff is requesting time to find a team of attorneys.

Plaintiff assert Principal Conspirator Nooyi was "AWARE" that Pepsico/Quaker Oats had **wrongfully procured 64 culinary formulas and 22** menus from our Great Grandmother Anna Short Harrington as an African American woman, as her Co-Conspirators failed to pay a fair share of royalties for 59 years, while exploiting the families entire blood line likeness of Aunt Deloris Hoffman, Aunt Laura Mae Patterson, including Grandma Olivia Hunter, thus invoking a violation of **ICERD V(v)(vii)(vi)(e)(i)**. (Exh. 130, 131, 132, 133, 134, 135, 137, 138, 201)

Plaintiff asserts the Conspirators Quaker Oats and PepsiCo arrogantly submitted a bogus Rule12(b) motion **absent an affidavit as**, and is expecting a Quid Quo Pro favor from the court due to Inspector General Dean Panos; in order, to engage in "**litigation abuse**," of which has resulted in "**INFECTING**" (emphasis added) the judiciary with "**FRAUD**." (Exh. 110, 111)

Plaintiff asserts the Conspirators willful deposited false statements inside the **U.S.P.T.O.**," and continued with total disregard for the law, by requesting a Quid Quo Pro favor to submit a Memorandum of law, instead of an Affidavit, when they knew the crux of the arguments rests **solely upon an Affidavits**, thus constituting a violation of **Federal Rules of Criminal Procedure Rule 3, Rule 4.1, Rule 42**, including **18 U.S.C. §1001**. As a result, all the statements inside the Plaintiffs civil complaint have now become a "**Crystallized Issue**" as a matter of law. All documents deposited inside the U.S.P.T.O. are governed by 15 U.S.C. §1051(B), 37 C.F.R. Secs. §2.34(a)(1)(i), including 18 U.S.C. § § § §2, 3, 4, 1001, the Aunt Jemima Doctrine and/or **Federal Rule of Criminal Procedure Rule 3, and 4.1, and 42**, as it concern a **Monopoly Trademarks under Applications Serial No. 71144762, Reg. No. 71385940, and Reg. No. 1697862**. When the above statutes or laws are invoked the mechanisms inside the U.S.P.T.O. or any federal judiciary entertaining a "Certified U.S.P.T.O. Trademark" functions and operate exactly like "**The Eye Chamber**," as it concerns utilizing the likenesses of Nancy Green, and Anna Short Harrington, inside the U.S.P.T.O., as the Conspirators fraudulently claim both to be fictional characters with Nancy Green having been killed within a 2 year window.

AUNT JEMIMA

Serial No. 71144762 Reg. No. 0146681; [http://en.wikipedia.org/wiki/Nancy\\_Green](http://en.wikipedia.org/wiki/Nancy_Green)

Specifically, Conspirators erroneously represented the image to be **women**, (“emphasis added”); instead of a sole **one woman** being Nancy Green. (*Mens Rue*) According to the image below dated **January 15, 1921**, Quaker Oats Executives advertised that it was Aunt Jemima’s idea to use the ingredient “**dried milk**.” (“emphasis added”)

“A way had to be found to mix by machinery the ingredients of Aunt Jemima’s pancake batter, to mix them exactly according to “**HER**” (emphasis added) Recipe! Equipment had to be built; it couldn’t be bought. No one had ever made such pancake flour before. At last the way was found. The ad also mentioned that it was “**Aunt Jemima’s idea**,” to add the “**dried milk**” (emphasis added) to the flour mix, **NOT R.T. Davis’s.**’

#### “Mosaic of Guilt”

On **September 23, 1923**, two and a half years later after Quaker Oats advertised that it was **Aunt Jemima’s Idea** for the **dried milk**; thereafter, beloved Ms. Green was murdered on the South Side of Chicago, thus constituting motive. (*Actus Rues*) The murders name is not known at this time. Plaintiff does not know if it was a hit and run or if the murder did jail time. Plaintiff assert and alleges there is a pattern and/or practice by Quaker Oats Executives to not relinquish accounting statements as required by SAG rules and regulations to Ms. Nancy Green, Great Grandma Anna Short Harrington, Aunt Deloris Hoffman, Aunt Laura Mae Sizemore, and Grandma Olivia Hunter. Further to wit, the USPTO Examining Attorney represented that Nancy Green’s Trademark was “**allegedly**” destroyed. Plaintiff is still trying to obtain said documents.

After the murder of beloved Nancy Green, the Plaintiff asserts in a **pattern and practice**, the Conspirators Quaker Oats Executives sent **spies out** according to the book "Slave in a Box; in order, to wrongfully procure in part and/or in whole 64 new formulas and 22 menus, while "**Scheming**" to align themselves next to New York Governor Thomas E. Dewey Professional Chef being Anna Short Harrington. (Exh. 1, 49, 50, 110, 111, 112, 113, 114, 115)

Plaintiff asserts in 1935, Quaker Oats Executives hired Anna Short Harrington being the Governor's Chef. Plaintiff asserts in a "**pattern and practice**" Quaker Oats President deposited **false statements** again inside the U.S.P.T.O. and erroneously represented Anna Harrington to not be a real live person of flesh and bone, while simultaneously hiring advertising firms to publish / advertising for "**IN-PERSON,**" Appearances, thus constituting "**WILLFUL INTENT,**" to deposit false statements inside the U.S.P.T.O. The plaintiff asserts in the interim, the Conspirators failed to relinquish a full accounting royalties and/or revenue; in order, to evade paying past, present and future royalties and to **subvert SAG Agreements**, while concealing the theft of the 64 new formulas, and 22 menus. Plaintiff asserts on November 24, 1936, Quaker Oats deposited my Grandmother's Image inside the USPTO. Further to wit, Defendants advertised on youtube that Nancy Green had a "**life long contract**"; thus logic follow Grandma Harrington had to have a contract. Plaintiff asserts and alleges Quaker Oats engaged in willful act of omission on their historical website to not acknowledge Anna Harrington's existence, thus calling into questions the "causes of **death(s)**" including violations of **ICERD Article V(v)(vii)(vi)(e)(i)**. 90% of the time, a person that commits a crime returns to the scene of the crime in some form or fashion whether consciously and/or unconsciously due to the **nefarious** nature of the **criminal mind**. Quaker Oats Executives then went down the entire Harrington blood line utilizing Aunt Deloris Hoffman, Aunt Laura Mae Patterson, and then Grandma Olivia Hunter.

### **Congressional Mandate**

Until May of this year, judges had been abusing the **equitable doctrine of laches** to cut short the **statute of limitations** on copyright claims mandated by Congress in the Copyright Act and obstruct heirs by blocking access to jury trials. The Copyright Act, Trademark law, and Patent law run side by side but are distinct in nature. This litigation is not merely about the

image on the box. According to Congressional mandate within 67 years of the author and/or inventors death the **heirs** must invoke the lawful rights of ownership. Recently, the Supreme Court stepped in to adding statements to end lower courts **subversive practices**; Justice Ginsburg writing that “**courts are not at liberty to jettison Congress’ Judgment**” on such matters, *Petrella v. MGM*, 188 L. Ed. 2d 979, 986 (2014). In 2007, Judge Margaret M. Morrow stated, Statutes of limitation do not begin to run until the discovery of “**Fraud**” **Occurs**, Citation U.S. District of California Case. No. CV 03-2873 MMM(VBKx) **Dismissal**, and “**overturned / adjudicated**” (“emphasis added”) by U.S. District Court of Utah Case No.: 2:07CV552 DB-EJF. Secondly, there is no such thing as a **statutes of limitations** as it concerning depositing false statements on a USPTO “applications” (“emphasis added”) and thereafter the subject becomes the victim of murder, as it concerns the construction of a contracts, property, patents, or formulas; that are now being called into question; especially if a “**pattern unfolds**” involving several U.S.P.T.O. Applications governed by 18 U.S.C. §§§2, 3, 4, and 1001. (Exh. 1)

“**The woman whose likeness was painted for the logo was Anna Short Harrington.**”

[http://www.netipedia.com/index.php/Aunt\\_Jemima](http://www.netipedia.com/index.php/Aunt_Jemima) (Exh. 19)

It is absolutely true that Aunt Jemima represents the **warmth, nourishment and trust** — **qualities** you'll find in **loving moms** (i.e. **Olivia Hunter Forster Mother**) that **cared for** and **want the very best for their family including foster children**. Grandma Olivia Hunter raised more than 30 foster children for the state of Florida and the city of Syracuse. (Exh. 19)

**LaVerne T. Thompson, USPTO Examining Attorney, Law Ofc. 116**

**Violations 15 U.S.C. §1051(B) & 37 C.F.R. Secs. §2.34(a)(1)(i).**

“The undersigned, being hereby “**WARNED**” (“**emphasis added**”) that “**WILLFUL FALSE STATEMENTS**” and the like so made are “**PUNISHABLE**” by fine or “**IMPRISONMENT**,” or both, under **18 U.S.C. §1001**. (Exhs., 1, 49, 50, 111, 112, 113, 114, 115) (Citation U.S.P.T.O. Serial No. 78135234, Reg. 3408950

Further to wit, Conspirators paid the **Rainbow Coalition** to stave off a boycott concerning Aunt Jemima. (Exhs. 145, 146, 147, 148, 149, 150, 151)

Plaintiff asserts and alleges prior to the legal action being filed, plaintiff sent Principal Conspirator Dean Panos Attorney For Quaker Oat and PepsiCo a copy of the Certified Death Certificate via an Attorney.. One week later, Plaintiff sent **Conspirator Inspector General Panos** a certified death certificate on Anna Short Harrington. Plaintiff asserts Dean Panos, a.k.a. "**Constitutional Rights Foundation/Inspector General of the Government**" advertises the same on his website, and requested to know if he could return the package in a "**Scheme**" to engage in "**pecuniary favor litigation abuse,**" by ignoring the Certified Death Certificate with Quaker Oats name on it as the employer, thus invoking ABA violations of DR1-101, DR 1-102 DR 2-103 (E) DR 2-110 Rule 5.5/DR3-101 through DR3-103, DR 6-101, and **DR 6-102 (emphasis added)**, and ICERD Article V(a)(b)(d)(v)(e). (Exhs. 152)

On September 4, 2014, when Quaker Oats and PepsiCo was served with the civil complaint, boxes were then thrown in the hallway with Plaintiff's back turned, thus invoking a violation of **18 U.S.C. 1512(2)(A)(i)(ii)(iii)**. On September 8, 2014, Plaintiff paid the Vital Statistics for the Certified Death Certificate of Deloris Hoffman, of which they have failed to timely comply due to deliberate obstruction of justice.

Is the court going to legalize Corporations depositing false statements concerning Intellectual Property/Images of humans inside the US Patent and Trademark Office or the US Copyright office where thereafter questionable deaths ensues and then the Corporation acquires a Government **appointed Inspector Quid Quo Pro General as "Lead Attorney"**? There is no such things as a statutes of limitations for documents deposited inside the USPTO where thereafter unexpected death(s) ensues calling into question the applications deposited by the Principal Conspirator Quaker Oats concerning trademarks, copyrights, patents or formulas. Deloris Hoffman's Certified Death Certificate is **material evidence** deposited inside Vital Statistics that is needed. Said crucial evidence is known to the Magistrate or Court, as **material evidence** to defeat a bogus Rule 12(b) Motion, of which, is governed by Federal Rules of

1 Criminal Procedure Rule 17, 26.3, including 27 and/or Federal Rules of Evidence Rule 401, and  
2 402. To date, the Bureau of Vital Statistics has sent back correspondence **again lying** about not  
3 receiving the payment, with intent to **obstruct justice**, thus imputing guilt to the Conspirators  
4 for **premeditated** violations of 18 U.S.C. §241, 18 U.S.C. §242, 18 U.S.C. § 243, 18 U.S. Code  
5 § 1343, including ICERD Article V(a)(b). Plaintiff objects to any and all paragraphs on all three  
6 Conspirators Motion to Dismiss on all pages, and herein requests that their motion be denied,  
7 and issue an Order to Release the Homicide Report of Nancy Green that is material. On March  
8 20, 1947, the President of Quaker Oats hired an advertising agency to publish "**Meet Aunt**  
9 **Jemima in Person at the Troy Grocery Co. Friday and Saturday, March 28 and 29**". (Exh.  
10 201) Lastly, Plaintiff's mother contacted him while he was away from the house within the last  
11 48 hours and disclosed when she came back to the home that the front door was open. Plaintiff  
12 left his location and went back to check on his mother's safety. Upon initial review of the  
13 home, plaintiff didn't notice anything out of place; however, later plaintiff realized some  
14 documents cannot be located at this time. However, irrespective this plaintiff does not intend to  
15 litigate this case, and requests the court to allow his family time to secure legal counsel. (Exhs.

*AUNT JEMIMA'S  
Hints for making  
Perfect Pancakes*

- 1 Add milk to Aunt Jemima Pancake Ready-Mix all at once and just stir lightly. Batter that is a little lumpy makes lighter and fluffier pancakes.
- 2 Be sure griddle is correct temperature—when a drop of water will bounce for a second before evaporating or when a spoonful of batter browns in one minute, griddle is just hot enough.
- 3 Grease griddle very lightly with an unsalted shortening (unless yours is the kind that needs no grease).
- 4 Pour the batter for each pancake on the griddle quickly. (One-fourth of a cup of batter makes a nice medium size pancake).
- 5 Bake until cakes are covered with bubbles and edges look dry. Turn cakes and bake until brown on other side. Don't pat cakes or turn them more than once.

*Serve butter melted—it's easier to use—goes farther.  
Serve syrup warmed—it brings out aroma.*

*AUNT JEMIMA'S  
are easy as  
1-2-3 to fix!*

**\* AUNT JEMIMA'S QUICK PANCAKES**

- 2 Pour 1/4 cup batter for each pancake onto a hot lightly greased griddle.
- 3 Bake to a golden brown, turning only once.

For Greater Economy,  
substitute water for part or all of the milk.

For Thinner Pancakes,

3 into doing business with Jackson's associates. And Tom Roeser, a  
4 former vice president of the Quaker Oats Company, entered the

6 icon Aunt Jemima. Roeser would say frankly that Jackson's behavior  
7 "had all the charm of a vintage Mafioso."

8 Now, millions of Americans have grown up with the Aunt  
9 Jemima figure, a smiling, plump black woman wearing an apron  
10 and bandana. In the early 1970s Quaker Oats was selling a ton of  
11 Aunt Jemima pancake mix. In other words, product and company  
12 were highly profitable—and highly visible. A recipe, you might  
13 say, for Jesse Jackson's money zone.

14 Tom Roeser asserted on *The O'Reilly Factor* TV program that  
15 the Reverend Jackson threatened Quaker Oats with a boycott if  
16 the company didn't modify what Jackson saw as a racial stereotype.  
17 When the company agreed to sit down with Jackson and his cohorts  
18 in Manhattan to discuss the issue, Roeser chaired the Quaker  
19 Oats negotiating team. As you will see, he did not shy away from  
20 very frank language.

21 **O'REILLY:** Some people saw a heavyset black woman wearing a  
22 bandana and thought it was stereotypical. Did they have a point?

23 **ROESER:** No, they didn't, because Aunt Jemima was a fictional  
24 character. She's no more a stereotype than, say, the Quaker Man.

NEW YORK (AP) — PepsiCo CEO Indra Nooyi got a pay package worth \$13.2 million last year, representing a 5% increase from the previous year.

The pay bump for the Indian-born Nooyi was the result of a higher performance-based bonus, reflecting the company's improved financial results

after coming out of a "transitional year" in which it slashed costs and stepped up investments in flagship brands.
